Dear Mr. Valle:

On behalf of the NYC Administration for Children's Service, please accept my sincere gratitude for your generous donation.

As the city, country and world continues to deal with the challenges of the ongoing pandemic, ACS is increasing our work to provide necessary resources to youth and families in need. The thoughtful generosity of partners like you helps demonstrate to those we serve that they are not alone, and that their neighbors care and wish to help support them during this difficult time.

Our staff distributed your generous donations to children and young people at the Nicholas Scoppetta Children's Center, and to families across the five boroughs reached through ACS community resource programs and Family Enrichment Centers.

Thank you for your commitment to bringing joy and much needed support to vulnerable children, youth and families. Please convey my very best wishes to your team on behalf of ACS, and I look forward to continuing our collaboration in support of children and families in New York City.

With gratitude,

A handwritten signature in cursive script that reads "Sonia Galarza".
