

MESSAGE FROM THE MAYOR

A warm welcome to everyone attending the 2025 World Vitiligo Day Innovation Summit.

This summit is being held on World Vitiligo Day, an international public awareness campaign, to highlight issues concerning vitiligo, advocate for better care, and uplift the voices and experiences of those living with the condition. The summit will also explore how technology and research are revolutionizing care, access, and equity for people who live with vitiligo.

I am pleased this event which is a valuable opportunity to learn more about vitiligo, is taking place in Toronto.

The City of Toronto is proud to acknowledge organizations that are committed to caring for the health and well-being of communities.

On behalf of Toronto City Council, please accept my best wishes for a memorable and enjoyable event.

Yours truly,

Olivia Chow
Mayor of Toronto
